

Pre-Course Assessment Form

Instructions:

Please take a few moments to complete the following pre-course assessment. Please answer honestly. There are no “right” answers to this questionnaire. This is an attempt to get a sense for how you currently feel about various issues concerning creation. For each question, choose the answer that best represents how you feel about the question at this moment. (Do not answer questions in light of what you think you “should” do.)

Strongly Disagree	Disagree	Neither Agree/Disagree	Agree	Strongly Agree
1	2	3	4	5

_____ The care of creation is an important, but peripheral, concern for Christians in their daily lives.

Strongly Disagree	Disagree	Neither Agree/Disagree	Agree	Strongly Agree
1	2	3	4	5

- _____ The Bible encourages human responsibility for creation.
- _____ Creation is primarily valuable as a resource for humanity.
- _____ My relationship with creation is an important part of my relationship with God.
- _____ Creation’s role in the Bible is primarily a backdrop for the story of human salvation.
- _____ All life on earth is valuable/sacred to God.
- _____ My hope for eternal life guides how I interact with creation today.
- _____ Responsible attitudes toward nature are an important part of Christian discipleship.
- _____ Creation is an integral part of the story of salvation in the Bible.
